Re: Requested Change in Summit County's Chart of Position

---

### **Background**

The Summit County Assessor's Office has been staffed, in the past, with as many as 12 FTE's and as low as 9 FTE's. Current approved staffing level is 10 FTE's. The office is based in Coalville at the Courthouse and currently consists of:

**County Assessor**, along with the duties of an administrator assesses the approximately 10,400 Condominiums in the County

**Chief Deputy**, along with the administrative duties assigned, assesses the municipal Park City area. (Will fulfill all duties of the Appraiser/Software Specialist.)

**Commercial Appraiser**, responsible for assessing and maintaining values on all commercial properties in the County.

**Appraiser/Software Specialist**, liaison with IT, Auditor, treasurer in the property tax process. Resident expert on CAMA (Computer Assisted Mass Appraisal) system and overall general troubleshooter. (*This position is vacant due to the promotion of Travis Lewis to Chief Deputy.*)

**Area Appraiser (4)**, responsible for the balance of the properties in Summit County. We have divided the County into 4 general areas, North Summit, South Summit and two for the Snyderville Basin area.

**Assessing Technician (2)** administer and audit all Exemptions including 501-C-3, charitable or religious exemptions and administer the Primary Exemption program. They also administer and audit the Farmland Assessment Act (FAA). This took the work of two fulltime Technicians. Recently, the Technicians were assigned the administration of the personal property taxation for the whole County. (Previously performed by the former Chief Deputy.)

The Assessor's office seeks to maintain its current Staffing level in order to continue providing the County and other taxing entities a fair and equitable tax base.

With the recent departure of the former Chief Deputy and reassigning the daily tasks to the Assessing Technicians this has created an undue workload on this position. A third Technician is needed to properly perform this workload.

**Request to the Council:**

With the promotion of the Appraiser/Software Specialist to Chief Deputy and reassigning the former Chief Deputy's daily work to the Technicians, I am asking the Council to amend the Chart of Positions to eliminate the Appraiser/Software Specialist and add an additional Assessing Technician. With a third Technician position my office we will be able to increase efficiency and this change will result in a substantial cost savings in this department as follows:

Position	Employee	TCV
Appraiser/Software Specialist	Lewis, T	\$92,835.17
Assessing Technician	King, N	\$45,204.41
Difference		-\$47,630.76

Thank you for your consideration.

Respectfully;

**STEVE MARTIN**  
SUMMIT COUNTY ASSESSOR
