Parcel SU-H-31-X (0.17 acres), located at 320 Crestview Dr, Summit Park, Summit County, UT

Public notice is hereby given that the Snyderville Basin Planning Commission in accordance with Section 10-3-5 of the Snyderville Basin Development Code will conduct a public hearing to discuss and possibly take action on the Mountain Regional Water - Summit Park Water Tank Upgrade Conditional Use Permit. The applicant is requesting to replace the existing 100,000-gallon water tank built in the 1960s that serves the Summit Park neighborhood area with a 250,000-gallon water tank. According to the Mountain Regional Water Special Service District, the size of the existing water tank is undersized to meet the equalization, fire flow and emergency storage requirements for its service area. The new water tank would accommodate the accumulated growth of the area and the increased number in full-time residents. The public hearing will be held:
