

PUBLIC HEARING NOTICE

AMENDMENT TO THE SNYDERVILLE BASIN DEVELOPMENT CODE

Public notice is hereby given that the Snyderville Basin Planning Commission accordance with section 10-2-11 of the Snyderville Basin Development Code will conduct a public hearing and possibly take action on an amendment to Title 10 Snyderville Basin Development Code Chapter 10 Engineering Standards Section D (9-3-1 through 9-3-12: Title 9 Building Codes and Construction Chapter 3 Stormwater Pollution Prevention and Erosion Control) and Section E (4-5-1 through 4-5-19 Title 4 Health and Sanitation Chapter 5 Nonstormwater Discharges). The purpose of these updates is to come into compliance with Summit County's MS4 Permit. A recent audit of Summit County's MS4 program by the State of Utah's Division of Water Quality (DWQ) found these changes are required for Summit County to comply and avoid fines from the State. The changes have been approved by the DWQ.

The Commission will meet on **Tuesday, September 13, 2022, beginning at 6:00**, electronically, via zoom.

If you prefer, County staff will be available, in person, at the anchor location which is the Sheldon Richins Building, Room 133 (1885 West Ute Boulevard, Park City Utah 84098) to assist you in viewing the meeting and providing comments.
