

30 Day Comment Period: 2024 Fee Schedule

November 15, 2023 – December 14, 2023

The Summit County Health Department is issuing a 30-day formal notice and comment period during which the public can review the proposed 2024 Fee Schedule and submit comments to the Health Department in writing by email or mail or in person at the January 8, 2024, Board of Health Meeting.

Every three years the Summit County Health Department re-evaluates the fee schedule to ensure that fees accurately reflect the services being provided. In 2021, the current fees went into effect. With 2024 just weeks away, the Health Department has proposed a new fee schedule to the Summit County Board of Health. At this time, the Board is seeking comments in regards to the proposed increases to the Health Department regulatory permit fees. The proposed changes can be viewed online at summitcounty.info/hdfees-24

Comments must be postmarked or received at the Summit County Health Department by 5:00 pm Mountain Standard Time on Thursday, December 14, 2023. Comments may be emailed to dsiddoway@summitcounty.org. Public comments will also be taken at the Board of Health meeting held on Monday, January 8, 2024, at the Summit County Health Department Office located at 650 Round Valley Drive, Park City.
