RE: Consideration of Approval: Removal of Property Taxes on 6 Inactive Parcels

This memo serves as a request for removal (aka “deadhead”) of \$134.71 in property taxes on the 6 inactive parcels listed below. These parcels are remainders of larger parcels that were subdivided and inactivated in 2017 and have not been valued or taxed since then. However, because the taxes were not paid in 2017, these parcels and their dozens of subdivided “child” parcels will be eligible for tax sale in 2022.

Below is the list of parcels, all owned by United Park City Mines (or associated) and located in the Empire Pass area.

Parcel ID	Taxes Due
PCA-S-98-S	\$ 20.45
PCA-S-98-K-1	\$ 22.75
PCA-S-98-U-1	\$ 23.26
PCA-S-98-HH	\$ 22.75
PCA-S-98-Z	\$ 22.75
PCA-S-98-W	\$ 22.75
Total	\$ 134.71
