SUMMIT COUNTY, UTAH FEE SCHEDULE

Pursuant to Section 17-53-211, Utah Code Annotated, 1953, as amended, a Summit County, Utah Fee Schedule is hereby adopted in book form and by this reference made a part of the Summit County Code.

**SUMMIT COUNTY GRAMA FEE SCHEDULE AND
PROCESS FOR GRAMA REQUESTS**

Process:

- A person making a request for a Summit County record shall complete the “Request for Record – Utah Government Records Access and Management Act” prior to reviewing and/or receiving copies of records. In his/her discretion, the record custodian may accept the record request in a different format so long as the request contains the person’s name, mailing address, and daytime telephone number, if available, and a description of the record requested that identifies the record with reasonable specificity.
- The record request shall be submitted to the Summit County department/office that prepares, owns or retains the record.
- Upon receipt of the “Request for Record,” a response to the request shall be provided to the requestor within ten (10) business days unless:
 - the requester has demonstrated that the record request benefits the public rather than the person (in which case response shall be within five (5) business days); or
 - “extraordinary circumstances” pursuant to Utah Code Annotated §63G-2-204(5) exists, which allows the department to delay approval or denial for an additional period of time.

Fees:

- The costs for processing GRAMA requests and/or copies are set forth in the below GRAMA fee schedule.
- Summit County requires payment of past fees and future estimated fees prior to processing a request if:
 - fees are expected to exceed \$50.00; or
 - the requester had not paid fees from previous requests.
- If the requester simply wants to inspect a record, they may do so at no charge, however, staff time for compiling the request or for costs of any copies requested thereafter, shall apply.
- Fee Waivers: Summit County may fulfill a record request without charge and is encouraged to do so when it determines that:
 - Releasing the record primarily benefits the public rather than a person;
 - The individual requesting the record is the subject of the record; or
 - The requester’s rights are directly implicated by the information in the record, and the requester is impecunious.
- Fee Waiver Appeals: A person who believes that there has been an unreasonable denial of a fee waiver may appeal the denial in the same manner as a person who appeals the inspection of a public record under UCA §63G-2-205 by filing a notice of appeal within 30 days.
