Date of Meeting: December 15, 2021
Type of Item: Quarterly Joint Work Session

The final quarterly joint work session with Council and the Snyderville Basin Planning Commission is scheduled for Wednesday evening. Among the topics of discussion, Staff suggests Council and the Planning Commission have a conversation on the following three items:

1. Community Core Values Outreach and Public Engagement
2. Snyderville Basin General Plan—Growth Management/Steps Moving Forward
3. Snyderville Basin Development Code—Targeted Code Amendments

These discussions will prove valuable as they will set the Staff work plan for 2022.
