Re: 2022 RAP Cultural Grant Applications

### **Background**

The RAP (recreation, arts, & parks) tax is to enhance or support the funding of publicly owned or operated recreational and zoological facilities, and botanical, cultural, and zoological organizations owned operated by institutions or private nonprofit organizations. It is a 0.10% (tenth of a cent) sales tax on certain goods. Citizens of Summit County first voted to approve this tax in 2000 and renewed the tax in 2010 and 2020.

Funding for the RAP – Cultural Grant is provided by a special sales tax initiative approved by the Utah State Legislature. This allows 0.1% of sales tax within the County to be spent on arts and recreation opportunities within the County. Eligible applicants for the Cultural Grant must be from a 501(c)(3) and registered with the State of Utah or a municipal or county cultural council, such as Summit County/Park City Arts Council. Eligible disciplines include Arts Education, Dance, History, Music, Visual Arts, Theatre, Folk Arts, and other pursuits.

### **Process**

For 2022, there were **23 applicants with a total request of \$1,916,030** and there was a total available funds for the grant of **\$1,225,000**. Of the 23 applicants, the Committee is recommending that **21 organizations be funded**.

Each organization is rated on the following criteria:

- 1) Artistic/Cultural Vibrancy = 5 Points
- 2) Public Benefit/Outreach = 5 Points
- 3) Organizational Capacity = 5 Points

**Total of 15 Points Possible per organization**

<b>Score</b>	<b>Rank</b>	<b>Rank Description</b>
5	Exceptional	The applicant provides overwhelming evidence throughout the application that demonstrates all funding criteria are met. The application is clear, well-articulated, and appropriate. The budget is realistic, comprehensive, and carefully aligned with the narrative. The applicant documents their activities are of the highest quality, highly relevant, and lead to a deeper understanding of the organization and its project.
4	Strong	The applicant provides clear evidence throughout the application that demonstrates funding criteria are met. The application is clear, well-articulated and appropriate. The budget is realistic and carefully aligned with the narrative. The applicant documents their activities are of high quality, relevant, and lead to a deeper understanding of the organization and its project.
3	Good	The applicant provides sufficient evidence throughout the application that demonstrates funding criteria are met. The application is clear and appropriate. The budget is realistic and reasonably aligned with the narrative. The applicant documents their activities are of good or average quality, relevant, and lead to a deeper understanding of the organization and its project.
2	Fair	The applicant provides limited evidence throughout the application that demonstrates funding criteria are met. The application is appropriate but with limited detail. The budget is not particularly well-aligned with the narrative. The applicant provides limited documentation of the quality of activities.
1	Weak	The applicant provides very limited evidence in the application that demonstrates funding criteria are met. The plans lack detail and are hard to understand. The budget is unrealistic and poorly aligned with the narrative. Information documenting the quality of activities is insufficient and/or of poor quality.
0	Non Competitive	The applicant provides insufficient information and does not meet the minimum

Based on the ratings of the organization, individual committee member interviews and joint committee presentations the committee then makes final recommendations with a combination of scoring and available allocation of the grant.

**Non-funded requests**

The non-funded requests were not considered due to the nature of the organization not fitting the definition of being Cultural as their primary focus as the State and County outline, or requests that RAP Cultural could not fund due to restrictions in funding.

This is defined in the Utah State Tax code 59-12-702 and Summit County, County-Wide Policy No. 1-A on Recreation Arts and Parks Program.

**Echo Community  
& Historical  
Organization**

Echo Community and Historical Organization works to preserve the past for the benefit of the present and increase the interest in the Echo area by maintaining four nationally recognized historic sites: The Echo Church, the Echo Schoolhouse, the Echo Post Office, and the Echo Cemetery.

The Echo Post Office is open and used by residents of Echo, Monday through Saturday, year-round. The Echo Church was built in 1876 and is the oldest church in Summit County. The church is open for the public to tour every Saturday from Memorial Day to Labor Day. The basement of the church recently sustained a flood, but Big-D Construction and the community worked hard to open the doors by Memorial Day, with insurance covering the costs.

Based on last year's numbers, the Echo Community & Historical Organization anticipates their audience at 500 for 2022, most from Summit County, along with the residents of Echo who all receive their mail at the Echo Post Office and use the postal services offered. The organization is dedicated to serving the local community. The projection is based on the counts made by the staff and volunteers on site at each location.

RAP Tax funds may be used to:

- Maintain and improve the Echo historical sites.
- Pay a portion of salaries
- General Operating Expenses

RAP Tax funds may NOT be used for:

- Any capital expenditures

**Egyptian Theater Company**

The Egyptian Theater Company is dedicated to enriching lives through the performing arts. They continue a tradition of entertainment that dates back to 135 years of performances.

RAP funds will be used throughout the year for performances, salaries, scholarships and after school out reach. In addition, this year there will be a concerted effort to expand the YouTheatre programs to include Latinx teachers and teen aides, more participants, additional age group, longer timeframes and year-around classes. Beginning in the fall of 2022, working with funding through the Pharaoh Club contributors and support from institutional contributors, every child who attends YouTheatre programs, classes and camps will be able to do so without charge. Significant local support comes from a variety of Summit County businesses. The theatre’s information collection efforts indicate that approximately 40% of audiences come from Summit County and its staffed box office provides outreach to local audiences supplementing its significant local media presence.

<p><b><u>Park City Chamber Music Society</u></b></p>	<p>Managed and directed by Russell and Leslie Harlow, the Park City Chamber Music Society (PCCMS) has produced all classical concerts for Summit County year-round for 39 years.</p> <p>In addition to the 12 scheduled summer concerts produced with Mountain Town Stages and the Park City Institute, the PCCMS will add 8 additional concerts throughout the year.</p> <p>This year’s request is larger because of increased costs related to the pandemic. PCCMS is committed to using funds efficiently and maximizing the impact of in-kind donations, individual donations, and other grants, including ZAP. Funding supports travel for musicians.</p> <p>Compared to other classical festivals, our PCCMS is affordable and attainable. In addition to the free concerts and student/senior outreach, tickets are priced so that folks can attend more concerts.</p> <p>PCCMS has been COVID conscious protecting our most vulnerable populations. Russell noted that the silver lining was listening to and cataloging the library of performances. Those are now available for all Summit County residents on their website.</p> <p>Essentially, the additional funding requested will continue to provide free access to classical music at concerts with outreach year-round because of the conscientious and conservative approach of the PCCCMS.</p> <p>RAP tax funds will be used to:</p> <ul style="list-style-type: none"> <li>● Produce performances and outreach in Summit County for the 39th Year of Beethoven and year-long concerts</li> </ul> <p>RAP/Tax funds may NOT be used:</p> <ul style="list-style-type: none"> <li>● Any capital expenditures</li> </ul> <p>2021 Funds     \$10,000  2020 Funds     **** Did not apply for funds ****  2019 Funds     \$4,500  2018 Funds     \$1,980  2017 Funds     \$7,200  2016 Funds     \$7,000  2015 Funds     \$14,000  2014 Funds     \$15,172  2013 Funds     \$17,986</p>	<p>20,000</p>	<p>15,000</p>

<p><b><u>PCSC Arts Council (Public Art Program)</u></b></p>	<p>The Summit County Public Art Advisory Board executes temporary public art exhibitions and performances into the greater Summit County community.</p> <p>The Summit County Public Art Advisory Board requests \$8,000 to maintain the Pianos in Public Spaces program and the traveling/rotating exhibits featured throughout the county. This reduced ask is due to the smaller scope of the projects this year.</p> <p>In the past year, the Pianos in Public Spaces program was enhanced with new signage and QR codes to share each piano's unique "personality." Funding will support maintenance with the local piano tuner and programming, including concerts.</p> <p>The pianos are accessible to all Summit County residents. By funding the programming of the pianos, RAP money ensures access for musicians and to the visual arts.</p> <p>The Summit County Public Art Board also requested funds to support their rotating traveling exhibits from the historical art collection housed at the courthouse. As the stewards of Summit County's public art, the traveling exhibits ensure access to county-owned pieces and history. This year's funding will include printed replicas for the county building of traveling pieces.</p> <p><b>RAP tax funds will be used to:</b></p> <ul style="list-style-type: none"> <li>• Maintain existing piano collection in the county</li> <li>• Produce performances and exhibits in and around the county</li> </ul> <p><b>RAP/Tax monies may NOT be used for:</b></p> <ul style="list-style-type: none"> <li>• Any capital expenditures</li> </ul> <p>2021 Funds \$12,000  2020 Funds \$12,000  2019 Funds \$6,000  2018 Funds \$5,603  2017 Funds \$10,000  2016 Funds \$5,000  2015 Funds \$4,500  2014 Funds \$2,314</p>	<p>8,000</p>	<p>5,000</p>
