(4 year term)  
Vote for up to Three

- ED PARIGIAN
- MATTHEW NAGIE
- RYAN DICKEY
- JOHN GREENFIELD
- BILL CIRACO
- BOB SERTNER

## County Ballot Questions

### Park City Recreational Facilities Bond Question

Shall Park City, Utah (the "City"), be authorized to issue general obligation bonds in the amount not to exceed thirty million dollars (\$30,000,000) (the "Bonds") for the purpose of financing all or a portion of the costs associated with constructing, improving, furnishing, and equipping new and existing City recreational facilities? These include but are not limited to expanded fitness facilities, field lights, indoor and outdoor pickleball courts, Nordic area, refrigerated outdoor ice sheet, and support maintenance facilities. Said Bonds are to be due and payable in not to exceed twenty (20) years from the date of issuance of the Bonds.

**PROPERTY TAX COST OF BONDS:** If the Bonds are issued as planned (and without regard to the existing taxes currently paid for existing bonds ("Existing Bonds") that will reduce over time), a property tax sufficient to pay debt service on the Bonds will be required over a period of twenty (20) years in the estimated average amount of \$137.20 per year on a \$2.34M primary residence and in the estimated amount of \$249.46 per year on a business property having the same value. As noted above, the City has other Existing Bonds for which a tax decrease would occur upon the retirement of the same, which may not occur if the proposed Bonds are issued. However, these Existing Bonds reduce over time such that the incremental property tax burden due to the issuance of the proposed Bonds on residences and businesses within the City is expected to have no cumulative increase from current annual levels. The foregoing information is only an estimate and is not a limit on the amount of taxes that the City Council of the City (the "Council") may be required to levy to pay debt service on the Bonds. The Council is obligated to levy taxes to the extent provided by law in order to pay the Bonds. The amounts are based on various assumptions and estimates, including estimated debt service on the Bonds and taxable values of property in the City.

- FOR THE ISSUANCE OF BONDS (YES)
- AGAINST THE ISSUANCE OF BONDS (NO)
